February 7, 2020

Mr. Steve Kennedy  
Executive Producer  
The Cannonball Express  
P.O. Box 51852  
Palo Alto CA 94303

Dear Steve,

After reviewing the middle school version of the video script about forest fires, environmental awareness and fire safety, we believe the video will encourage students to consider careers with the International Brotherhood of Electrical Workers. The students would be able to apply to our Apprenticeship Programs after completing high school.

Sincerely,

Tom Hansen  
Business Manager  
Financial Secretary
